

International Medical University – Joint Committee on Research & Ethics

(IMU-JC)

- IMU-JC serves as the Institutional Review Board, accredited by the Malaysian Pharmaceutical Bureau since 2002, to evaluate clinical trials conducted not only by researchers from IMU but also external parties. In discharging its duties, the IMU-JC is guided by the codes of good practice as set in the guidelines for “Good Clinical Practice” (GCP), “Good Laboratory Practice” (GLP) and “International Guiding Principles for Animal Research”.
- For application forms, please refer to “Policies and Guidelines” on our IRDI website
