Appendix C

Oral Presentation Guidelines

Oral presentations will be allocated a 20-minute slot including questions. (Note: *subject to be changed based on the number of presenters*)

To be considered for an oral presentation you must first submit an abstract.

Abstracts will be assessed on quality & alignment with the theme.

Once accepted as a participant you are required to submit your slides.

The PowerPoint should be between 7-8 slides, written in English using APA 6th edition citation style.

Please follow the PowerPoint structure below:

1. First slide: Title, Author(s), Affiliation(s). Please download and use the first slide template for the conference theme and logos here. (Click to link)

2. Slide 2-3: Introduction & Literature Review

3. Slide 4: Method

4. Slide 5-6: Findings and Discussion

5. Slide 7: Conclusion

6. Slide 8: References
