

Dato' Sri Dr Vincent Tiew
Executive Director
KL Wellness City Sdn Bhd

“

We are honored to support the IMU University Conference, a vital platform for knowledge exchange, innovation, and collaboration among medical professionals, researchers, and students. This sponsorship underscores our commitment to advancing education, research, and professional development in the healthcare professionals, industry leaders, and future pioneers – driving growth and innovation in Malaysia's healthcare sector.

As the master township developer of KL Wellness City, we proudly lead wellness and healthcare integration in Southeast Asia. Our vision is to create a fully integrated ecosystem that redefines and enhances the experience of health and quality of life. With key components like The International Tertiary Hospital, Medical Suites, and a Healthcare Hub, KL Wellness stands as the ultimate one-stop oasis for holistic healthcare and wellness, nurturing a community where both thrive.
