

Enago Learn - Developing the skills of researchers **Optimize your time by learning from 'Publishing Experts'**

Enago Learn (www.enago.com/learn) is a comprehensive online author training program developed to support governments, their academic institutions, and researchers in driving growth in the quantity and quality of published research outputs.

First of its kind, Enago Learn is a complete, pedagogically valid and scalable solution for author training that yields measurable results and provides subscription for the academic research community.

Key Features of the Enago Learn

Enago Learn offers a structured program with 15+ courses that address best practices, processes, and trends in publishing.

- Avg. experience of our tutors is more than 20 years
- Access to publishing experts and Q&As
- Certificates on course completion
- Flexible, self-paced, and assessed courses
- Infrastructure independent installation for Enago Learn
- Personalized dashboard for students that shows progress in each course
